

# IFST Membership Levels

## Membership / Career Progression (in years experience)

1. Joining any register only requires IFST Associate Membership. Progression to Member/ Fellow is encouraged but not compulsory.

2. IFST Member/ Fellow is not a pre-requisite to progressing on the registers. E.g. An RSci can progress to CSci whilst remaining an IFST Associate, etc.

3. New registrant and IFST memberships are accepted at all levels.
